\*eOne figures are based on eOne's production investments in fiscal 2018 (April 1, 2017 to March 31, 2018), presented in its full-year financial report under the line item "investment in productions." The figure is converted from British pounds and does not include financial instruments such as funding or tax credits.

\*\* DHX figures represent an estimate based on its quarterly reports via the line item "direct production costs and expenses of film and TV produced." It does not include financial instruments such as funding or tax credits.
